TWO-SPIRITED & TRANS ABORIGINAL PEOPLE (MEN, WOMEN, &YOUTH), WHO HAVE EXPERIENCED ABUSE IN AN INTIMATE RELATIONSHIP NEEDED FOR FOCUS GROUPS

- This study will address a knowledge gap among social service agencies and because of this study, Aboriginal Two Spirited & Trans (men, women, youth & other identified); who are or have been in abusive relationships will contribute to the development of better support services.
- There is a survey (which will take about an hour) & focus group (which will be about 1 -1 ½ hour). The survey will ask about your experience of abuse and other life experiences, your therapy experiences (access to social services) and your coping processes.
- **There are four focus group dates set up to start ASAP!**

Honorariums of CASH & TOKENS provided to group participants upon completion.

For more information or to participate in the study please **phone or email Percy** and leave a confidential message:
